423 Bittersweet Lane, Plymouth, WI 53073 | 920-980-7292 | [cbogart91@gmail.com](mailto:cbogart91@gmail.com) | <https://github.com/cbogart91>

## Objective

- My objective is to apply my new skills and gain more knowledge within web development. I would like to gain experience by learning more in-depth features that the back end has to offer. In the future, I would be interested in applying the leadership skills I learned through my bachelor's degree.

## Education

### **BACHELOR'S DEGREE | GRADUATED MAY 2023 | UW-OSHKOSH**

- Major: Liberal Studies
- Emphasis: Leadership Development
- Related coursework: Mentoring and Development, Creating Presentations in the Virtual Workplace

### **WEB DEVELOPMENT CERTIFICATE | APRIL 2024 – OCTOBER 2024 | EDX**

- Major: Web Development
- Emphasis: Back-end coding
- Related coursework: SQL, OOP, Express, ORM, MVC, JavaScript, NodeJS, APIs, Render

## Skills & Abilities

Management	Adaptability	Willingness to Learn
Communication	Reliable	Flexibility
Leadership	Hard worker	Honest

## Experience

### **TRIM SEAL OPERATER | SARGENTO | JULY 2023 – APRIL 2024**

- At Sargento, I was part of a two-person team that handled the vacuum sealing of excess cheese. We had to inspect the cheese for any foreign material before it was sealed and shipped off to whoever bought it.

### **ASSEMBLER | TRUNORTH COMPONENTS | DECEMBER 2020 – JULY 2023**

- At TruNorth, we assemble air compressors. I work independently or together as a team. As new team members are added, I also assist in their training. And have been put in charge of a line that consists of three of us.

### **MAINTENANCE | 4IMPRINT | JUNE 2019 – NOVEMBER 2020**

- At 4imprint, I was part of the maintenance that assisted in taking care of small things around the building. To which include, fixing desks, repairing minor discrepancies, and keeping the building clean.

### **EMBROIDERY SHPPING | 4IMPRINT | JULY 2017 – JUNE 2019**

- All of our finished items were trimmed, boxed, and shipped from our warehouse. We weighed and printed our own labels that were then picked up by a delivery service.

## **Military Experience**

### **12N – HORIZONTAL CONSTRUCTION ENGINEER | US ARMY RESERVES | FEBRUARY 2015 – APRIL 2019**

- Our unit operated heavy machinery such as rollers, dozers, hydraulic excavators, etc. We constructed roads, trenches, cleared fields, etc.

### **11B – INFANTRY | US ARMY ACTIVE DUTY | OCTOBER 2011 – FEBRUARY 2015**

- I was part of the Old Guard stationed on Fort Myer in Virginia. Our unit conducted funerals for fallen soldiers as well as change of commands, retirements, cordons, etc.
